ONLY Water is composed of two Hydrogen atoms and one Oxygen atom. Any other formula it is NOT water. It is something else. An NBC is one born in the US to 2 US Citizen parents. Any other formula is NOT an NBC.

US<sub>2</sub> + B = NBC

US<sub>1</sub> + B = Citizen

No US + B = citizen

No US + no B = foreigner

“Johnny drank some H<sub>2</sub>O. Johnny ain’t no more. For what Johnny thought was H<sub>2</sub>O was H<sub>2</sub>SO<sub>4</sub>.”
