

Dr. Shiva Ayyadurai (Independent) is NOT a “[natural born Citizen](#)” of USA to Constitutional Standards – NOT Eligible to be President and Commander-in-Chief of Our Military, or the Vice President, per U.S. Constitution | by: CDR Charles F. Kerchner, Jr. (Retired) – 14 Jul 2023

Dr. Shiva Ayyadurai is NOT a 'natural born Citizen' of the United States to Constitutional Standards since he was NOT born in the USA nor were any of his parents U.S. Citizens when he was born.

He fails the Three Legged Stool Test !

Three Required Legs of 'natural born Citizen' of the United States to Constitutional Standards

by: ProtectOurLiberty.org

Dr. Shiva Ayyadurai and his parents were foreign nationals and Dr. Shiva immigrated to the USA [per publicly available information](#) . Click on the image for more details about the Three Legged Stool Test to be a “natural born Citizen” of the United States.

Based on the public information available [here](#) and [here](#) at this time Dr. Shiva Ayyadurai was not a U.S. Citizen at all when he was born. He was born in India. His parents were not U.S. Citizens when Dr. Shiva was born. He was born with allegiance to the country of India. Dr. Shiva per publicly available information is an immigrant to the USA and is [a “naturalized Citizen” of the United States](#). As a naturalized Citizen he is not constitutionally eligible to serve as President and Commander in Chief of our military. Nor is he eligible to be the VP.

He was not born in the USA with singular citizenship and sole allegiance at/by birth to only the USA as is the case for a “natural born Citizen”. He was not born a “natural born Citizen” with the required three legs of being born in the USA to a father and a mother who were U.S. Citizens when Dr. Shiva was born. Dr. Shiva Ayyadurai fails the “[The Three Legged Stool Test](#)” for being a “natural born Citizen” of the United States. He is a “naturalized Citizen”, NOT a “natural born Citizen” of the United States. He can serve as a U.S. Senator but he cannot constitutionally serve as the President and Commander-in-Chief of our military or as the VP.

It is not known at this time to this writer if Dr. Shiva’s father and mother ever became naturalized U.S. Citizens too. Dr. Shiva Ayyadurai is **not being very transparent** on this issue in most public sources. Even if one or both of his parents did naturalize later after Dr. Shiva was born, it would not change Dr. Shiva’s birth status. Dr. Shiva was born a Citizen of India and did not hold U.S. Citizenship of any kind when he was born. He was born with allegiance to a foreign country, i.e., India.

This is hardly what the founders and framers intended when [they selected the “natural born Citizen” requirement](#) for the person who would in the future be permitted to be the President and Commander in Chief of our military, once the founding generation was gone. The founders and framers wanted all future Presidents and Commanders in Chief to be free of foreign influence at/by birth and be born with **unity of citizenship and sole allegiance at birth** to only the USA. Dr. Shiva Ayyadurai being a “naturalized Citizen” of the United States, he is constitutionally ineligible to serve as President or VP but he can serve as a U.S. Senator or Member of the House of Representatives.

As per ‘[Principles of Natural Law](#)’ in place at the time of the founding of our country and when the founding documents including the [U.S. Constitution were written](#), a ‘natural born Citizen’ is one born in the country [to parents who are both Citizens](#) (born Citizens or naturalized Citizens) of that country when their child is born in the country. See ‘[The Three Legged Stool Test](#)’ for a graphic presentation of this constitutional requirement as to who can be President and Commander in Chief or our military. See the [Euler Diagram](#) shown further down for a logic diagram presentation of this constitutional requirement.

Some other politicians besides Dr. Shiva Ayyadurai (who is running as an Independent) in the two major political parties who have been mentioned for future election to high national political office, who are also not a “natural born Citizen” to constitutional standards are: [Vivek Ramaswamy \(R\)](#), [Nikki Haley \(R\)](#), [Marco Rubio \(R\)](#), [Ted Cruz \(R\)](#), [Bobby Jindal \(R\)](#), and [Kamala Harris \(D\)](#). Both major political parties are choosing to

ignore the founders and framers intent and understanding of what a “natural born Citizen” is in order to run candidates that they believe are very marketable political candidates. This started in a major way in the 2008 election cycle with [Obama vs McCain](#).
