Obama is **NOT** an Article II Natural Born Citizen and therefore is **NOT** Eligible to be President

The President and CINC of the USA Must be a "natural born Citizen"
— U.S. Constitution, Article II, Section 1, Clause 5

No Person except a natural born Citizen, or a Citizen of the United States, at the time of the Adoption of this Constitution, shall be eligible to the Office of President

The Law of Nations, Vattel, 1758.
Used by Ben Franklin, John Jay, George Washington, Thomas Jefferson, and other founders.
Vol.1, Ch.19, Section 212:
"natural-born citizens, are those born in the country, of parents who are citizens"

Per the British Nationality Act of 1948, Obama when born in 1961 was a British Subject at birth.

Obama's Father was NOT a U.S. Citizen, nor was he an Immigrant to the USA, nor was he even a Permanent Resident of the USA.

Obama, the Putative U.S. President, was Born a British Subject Governed by the British Nationality Act of 1948, and is Currently also a British Protected Person and/or a British Citizen to this Day.
How can a person who is born a British Subject be considered a Natural Born Citizen of the USA?
