Obama, Bill Ayers, Michael Klonsky, and FactCheck.Org: All have ties to the Annenberg Foundation money via the Chicago Annenberg Challenge (CAC) foundation, to which Obama was appointed by Bill Ayers as the first Chairman of the CAC in late 1994 or early 1995. The CAC received the first check for \$50,000,000 in Jan 1995. Obama then started redistributing that money to pet projects of Bill Ayers and Michael Klonsky as well as to ACORN, a favorite group of Obama's. Bill Ayers, SDS member and founder of the Weather Underground, now a prominent "re-educator" of children in American as to "social justice" ideology targeting our school via his "Small Schools Project", was the money getter via grant writing and also served on various boards in Chicago with Obama. Bill Ayers appointed Michael Klonsky, also an SDS member and now also another "social justice re-educator", to run the Small Schools Project. The money flowed back and forth through various front groups and organizations and networks between Obama and Ayers over many years, including the time spent by Obama as an Illinois State Senator. Its been a giant money shell game that Ayers and Obama have orchestrated in South Chicago to fund their far left projects for years.
