

[Obama's Sugar Daddies to Get Into Harvard](#)

Obama's early "Sugar Daddies" who helped him get into Harvard University. This is all true and factual. Very scary as to its implications, but true none the less. The press and media, other than Sean Hannity, did not cover or buried this information too. These are more than a couple minutes long but are definitely "much watch" videos! Who really is this new President Elect ? ... "just ignore that wizard behind the curtain".
