Meet Michael Klonsky, another "social justice" educational system friend of Obama and an "educator" in the school of Bill Ayers. Ayers and Klonsky run the "Small Schools Project" to teach teachers how to educate our elementary school children in their ideology of "social justice", which is their code word for Socialism. Klonsky, Ayers, and Obama are in the same political and social orbit in South Chicago. They live in the same neighborhood and socialized many times together along with Khalidi. Ayers and his wife were even baby sitters for Obama's children. Just another guy in the neighborhood. Words, only words.
