The Honorable John G. Roberts, Jr.  
Chief Justice  
U.S. Supreme Court  
One First Street N.E.  
Washington, DC 20543-0001

Subj: "Natural Born Citizenship" and the ineligibility of Obama to serve as the President and Commander-in-Chief of our military under our Constitution. Obama has not been properly vetted by any third party adjudicating official in the political branch or judicial branch of our government to prove he is qualified to serve as the President.

Re. U.S. Constitution, 1787, ratified 1789, Article II, Section 1, clause 5:  
No person except a natural born Citizen, or a Citizen of the United States, at the time of the Adoption of this Constitution, shall be eligible to the Office of President; neither shall any Person be eligible to that Office who shall not have attained to the Age of thirty-five Years, and been fourteen Years a Resident within the United States.

Def: Law of Nations, Vattel, 1758, Section 212:  
"natural-born citizens, are those born in the country, of parents who are citizens. ... I say, that, in order to be of the country, it is necessary that a person be born of a father who is a citizen; for, if he is born there of a foreigner, it will be only the place of his birth, and not his country." Emphasis added, "parents" meaning plural, both, not just one parent.

Dear Chief Justice Roberts:

Attached is a letter I wrote to Senator Arlen Specter and Congressman Charlie Dent. I am sending you a copy for your information. If Congress does not act to vet Obama's exact citizenship status prior to confirmation, please sir, will you act and intervene on or after 9 Jan 2009 to hold hearings in your court on Obama's exact citizenship status. Our Constitution and Country are at stake! Please do not swear in a person who is "constitutionally ineligible" to serve as the President and Commander-in-Chief of our military. In my personal opinion, if any Justice would swear in an ineligible person per the Constitution's original intent to be the President and Commander-in-Chief of our military, it would be an act of treason to our Constitution. Please do not participate in any part of that or allow it to happen.

Respectfully,

Mountain Publius Goat

(A veteran of 33 years service to my country and to which I took an oath to uphold and defend our Constitution, as did you.)

Enclosure:

Copy of letter I sent 31 December 2008 to my Members of Congress:
