Mountain Goat Will be Guest on Mark McGrew Radio Talk Show

I have been invited to be the guest on the Mark McGrew radio talk show on the MommaE Radio Rebels station on BlogTalkRadio.com on Monday night, 12 Jan 09, at 9 p.m. EST. I have accepted. I will be discussing my ideas of bringing lawsuits directly against the Congress in federal courts for violating the Constitution in confirming an ineligible person, Obama, as the President-Elect, and for violating U.S. Code Title 3, Chapter 1, Section 15, in the process of doing that. Here is a copy of my open letter to conservative groups such as the Federalist Society and others saying it is now time to sue Congress itself for committing a federal crime in violating our Constitution and other laws on Thursday at the Joint Session of Congress.
