Hi all. Time to Take Immediate Action:

For all practical purposes we have only until the end of this week to get a new legal tactic and action started to "sue Congress" for committing an unconstitutional act in confirming Obama and to ask the federal courts in that new lawsuit to stop/STAY the inauguration and swearing in ceremony until Obama's exact citizenship status is determined by the Courts or Congress holding fact finding hearings and an investigation. Monday is a national holiday and Tuesday is the 20th, the day O gets sworn in, unless we get a STAY of that. By this Friday afternoon, everyone in DC will be gone on a long weekend or starting to party down for the long weekend and run up to the inauguration. If we wait until the 20th or after to sue, then we are suing in regards to a "siting President" and it gets much harder. Also judicial "timeliness" is in play here. It is much better to sue now charging Congress violated the Constitution and try to STAY the inauguration and swearing in ... before the event and try to stop the event, than to wait until after the event has been consummated, i.e., he has been sworn in. And even if we don't succeed with this new type of lawsuit, we still can keep suing for a writ of "Quo Warranto" after he is sworn in and many other type actions. But suing now should not be discounted in the hopes that some suit later will take care of this. We need to sue in every venue now and later. We the people now have standing since we have been damaged and hurt by the actions of Congress on Thursday and we need to keep throwing the legal kitchen sink at everyone and anything that touches the process, including Congress, of confirming and swearing in an ineligible person as the President. Before Thursday Obama was simply a Presidential Candidate despite that sign he had hanging in front of him. After Congress confirmed him unconstitutionally on Thursday, he is now the President-Elect and now we the people can sue Congress for what it did as a federal body violating our Constitution. We the people now do have standing and we should file in Federal Courts as soon as possible to STAY the inauguration and swearing in charging Congress acted unconstitutionally.

We need to contact conservative groups NOW, today and tomorrow morning at the latest, and give them the information if they plead "lack of knowledge", and ask them to bring suit ... NOW! Here are links to copies of my open letters and FAX's to Congress, the U.S.

Supreme Court Justices, and conservative groups such as The Federalist Society, The Heritage Foundation, Judicial Watch, Inc., and The American Conservative Union asking them to do something about this since Obama is not qualified to serve as President and CINC. This provides you with the information needed to show cause for the lawsuit by conservative groups. I have provided this composite link to my letters for ease and convenience of finding them. My actual letters used my real name but these online version are using my pen-name, Mountain Publius Goat. The URL shown in these online public versions of my letters automatically re-directs people back to my writings here at CountryFirst for further information. Feel free to spread that URL far and wide or the documents posted at Scribd.com far and wide. They can also be found at Scribd.com by searching on the keywords of "open letter goat" or "open letter lawsuit".

If you are a member or have donated money to any conservative group, one of the below, or any other conservative action group, call or FAX them today to take action and have their legal team bring a suit in the federal courts asking for a STAY of the inauguration and swearing in of Obama due to Congress committing an unconstitutional act in confirming Obama since he was not eligible since he was not a "natural born citizen" of the USA since his father was never a U.S. citizen.

Here are the phone numbers and FAX numbers for four such groups. You can find more by googling. But especially contact any groups you are a member or have donated money to. Calling or FAX'ing is better than email, imo. Ask to speak to the head of their group, i.e., the Director, or the head of their legal affairs and actions department:

The Federalist Society: TEL: 202-822-8138 FAX: 202-296-8061 EMAIL: info@fed-soc.org

Judicial Watch, Inc: TEL: 888-593-8442 FAX: 202-646-5199 EMAIL: info@judicialwatch.org

The Heritage Foundation: TEL: 202-546-4000 FAX: 202-546-8328 EMAIL: staff@heritage.org

The American Conservative Union: TEL: 703-836-8602 FAX: 703-836-8606 EMAIL:
<http://www.conservative.org/asp/feedback.asp>

Please take action NOW! FAX or call now. Or at the least, send an email. Borrow the words from my Open Letter to the Conservative Groups above. Ask them to file suit in federal court to STAY the inauguration and swearing in of Obama until his exact citizenship status is determined. Tell them the Congress acted unconstitutionally by confirming an ineligible, non-natural born citizen as the President-Elect and they should sue in federal court to correct this travesty against our Constitution and Country and that you expect them to stand up and do this since they say they are there to protect our Constitution as part of their mission. Tell them that is why you are a member and/or have donated money to their organization, i.e., for times like this ... to protect and defend our Constitution from illegal acts by Congress. Be respectful but assertive and forceful with your voice. Print it out my letter above at SCRIBD.com if you call and use it for talking points while on the phone. Do it now! And then report here what you were told or heard from them. Do this now! Also forward a link to this message to all your conservative and like minded friends and ask them to do it too.
