Chairman Obama has his new Little Blue Book

Did you see this?

Chairman O has his new Little Blue Book:

But, I think choosing red would have been more appropriate to his true world view colors and more respectful to the historical inspiration for this new little blue book of his teachings and thoughts for the remaking of America. I wonder if his long-time friend Michael Klonsky gave him the idea for this. Michael Klonsky is a good friend of Obama and Michelle. Michael Klonsky was also the head of the Maoist Chinese Communist Party in the USA. Just another person who just happens to live in Obama's former neighborhood in Chicago, ... along with Bill Ayers, Louis Farrakhan, and Rev. Jeremiah Wright. I wonder if some of our leaders quote in his new book are some of the old "saws" such as: "Birds of a feather", "You are known by the", "Just words, only", etc.
