### **Mr. O wants Military to Swear Oath to Pres not Constitution (This story was later denied by the White House.)**

This is very disturbing news I saw today reported on the internet of a plan to get the military to swear an oath to the President rather than to the supreme law of the land, our Constitution, as it has been for over 200 years.

<http://jumpinginpools.blogspot.com/2009/01/military-to-pledge-oath-to-obama-not.html>

This piled on with that proposed Constitutional Amendment bill filed by that Dem Member of the House, an Obama supporter, who is trying to change the Constitution to allow making Obama the President for life and the supreme leader and totally trample our Constitution, in addition to already usurping the Office of the Presidency.

I've also heard Obama wants to change the national anthem as well as having published a little blue book of quotes from our "leader".

Venezuela ... here we come ... as to a form of government ... unless Obama is stopped ...

Mr. O is aspiring to to be Pres O for life. No way!
