Obama Lawyers Fib in Hollister v Soetoro Motion To Dismiss

Leo Donofrio Post on Military Standing in Cases Filed:

Also, read my comments to his post. Someone forward Atty Donofrio's comments to the attorney of Hollister, and others. I will too.

Hi Leo,

Great post. It will be hard to get the active duty people to join a case since they are subject to the UCMJ and would likely have military court charges filed against them if they joined a case. But get someone in between Hollister and an active duty person. A "drilling reservist" soldier/sailor/airman or officer in a unit which has already been recalled for the Iraq and/or Afghanistan wars, and whose unit could be recalled again. He/she would certainly have standing on the possibility of recall, since their unit was recalled in these wars before, etc.!

On your comments about the chutzpah and false and misleading statements in the Motion to Dismiss in the Hollister v. Soetoro case, did you see in note 1 at the bottom of page 2 of 11, these legal beavers filing this motion are trying to confuse the federal judge with obfuscations by calling the document image provided online a "certified copy of a birth certificate" when the images are not of a "certificate" at all but a computer printed "CERTIFICATION of Live Birth", ... NOT a "Certificate of Live Birth". How long do they think they can keep fooling people with that magic trick with words. The Obama legal team must have utter disdain and contempt for even a federal judge to lie in their motion. And said document on the bottom says "Prima Fascia evidence". When "Prima Fascia" evidence is challenged its assumed validity falls. The defendant must then produce the original to support the prima fascia evidence and document. Sure wish someone could file an Amicus brief to the court to help the federal judge see through this baloney the Obama legal team is trying to pull on the judge just like they pulled on the American people (with the help of an enabling main stream media).

I think I'll forward a copy of this post here to Atty. Berg and Atty. Apuzzo.

Welcome back to the fight! And, keep up the good work!

Imagine the chutzpah of the Obama lawyers to lie and mislead a federal judge as to what Obama has proffered as documentary evidence of the place of his birth!
