Mr. Obama - America's 1st Undocumented (Illegal Alien) President?

Kerchner et al vs. Obama & Congress et al -- page 18.

Obama May Be An Illegal Alien

79. There exists a possibility that Obama could be an illegal alien.

80. Obama has yet to adequately prove that he was born in the United States.

81. Obama has publicly conceded that his father was born in Kenya and a British subject/citizen at the time of Obama's birth which precluded Obama from gaining any U.S. citizenship from his father at the time of his birth.

82. At the time of his birth in 1961, under the applicable statute Obama also could not gain U.S. citizenship from his U.S. citizen mother due to her being only 18 years old at the time of his birth. ENDNOTE 15.

83. There also exists the possibility that if Obama had U.S. citizenship at birth, he lost that citizenship when his mother's second husband, Lolo Soetoro, an Indonesian citizen, adopted/acknowledged him as his son and along with his mother took him to live in Indonesia and when he later traveled as a foreign citizen with a foreign passport to Pakistan after the age of majority (18) when he was approximately 20.

+++++

ENDNOTE 15: A child born in wedlock and abroad to one U.S. citizen parent and one alien parent acquires U.S. citizenship at birth under Section 301(g) INA, provided the citizen parent was physically present in the U.S. for the time period required by the law applicable at the time of the child's birth. (For birth on or after November 14, 1986, a period of five years physical presence, two after the age of fourteen is required. For birth between December 24, 1952 and November 13, 1986, a period of ten years, five after the age of fourteen are required for physical presence in the U.S. to transmit U.S. citizenship to the child). http://travel.state.gov/law/info/info_609.html. Obama's mother, born on November 29, 1942, was 18 years old when she gave birth to Obama on August 4, 1961. She was 117 days short from being 19 years old. But she had to be at least 19 years old (14 years old plus 5 years of U.S. physical presence) to satisfy the legal requirement of Section 301(g). Hence, if Obama was born in Kenya, under the Fourteenth Amendment, he is neither a U.S. citizen by birth on U.S. soil nor one by naturalization. (There is no existing evidence that Obama was ever naturalized.) Nor would he qualify to be a U.S. citizen by any act of Congress by being born abroad to a U.S. citizen parent. If this scenario were proven to be true, it can be reasonably argued that Obama is an illegal alien.
