Glenn Beck Show Does a Segment on the ACORN Tree

Today Glenn Beck did a very good segment on the ACORN tree. Those of us in this forum have known about this for many, many months. The far left is using Saul Alinsky roots tactics and the Cloward-Piven Strategy to destroy America's constitutional republic and replace it with socialism or fascism, etc. But it is good to see Glenn Beck talking about this on the national media. He is all over ACORN right now like white on rice. Hopefully he will follow the path he's on right to the real problem and biggest nut from the 39 year old ACORN tree, the Obama eligibility issue.
