A Suggested Question for the Judge Sotomayor Hearing

Someone sent me this question.

The big question senators should be asking Supreme Court nominee Sonia Sotomayor.

If you are a Supreme Court justice how will you review a case that questions whether Barack Obama is a natural born citizen and lawfully fills the position of United States president??

Can you pose the question in your upcoming media contacts and blog?

I suggest folks telephone email, FAX, and write to the Senators on that Judiciary Committee ... ASAP ... and ask them to ask this question. Especially if you are a constituent in their respective state.
