Why the RNC & McCain Stayed Silent about Obama's Citizenship

Did you ever wonder why the RNC and John McCain stayed totally silent in 2008 and still is silent to this day regarding Obama's Natural Born Citizenship issues?

The answer: The Party leadership of the RNC, DNC, and Socialist parties ALL put constitutionally ineligible, non-natural born citizens on the ballot last year for President. They let party power and DC politics trump the U.S. Constitution. That is why the RNC and Socialist Parties were silent about Obama. And that is why they are all still blocking any investigation of what happened last year. They are all guilty and in the CYA mode right now and hoping that "We the People" do not catch on to what they did and throw them all out in 2010.

Even if McCain could prove he was born on a military base in Panama which he cannot because he Birth Certificate says otherwise, ... U.S. Military Bases in Foreign Countries are NOT considered U.S. Soil as is clearly stated in the U.S. State Department's Foreign Affairs Manual:
