Meet Michael Klonsky and his wife Sue Eanet (both SDS)

Michael and Susan Klonsky's Small School Workshop Goals & Obama's Talk to Kids.

The main stream media needs to research and cover more this Michael Klonsky fellow and his wife Susan ([Sue Eanet and also a key SDS member before she married Klonsky](#)) and their plans for our young kids. The long-time friends of Obama are surfacing everywhere as Czars and elsewhere. This one, [Mike Klonsky](#) and his buddy [Bill Ayers](#), are after re-educating of children age 5-10.

This Mike Klonsky fellow and Bill Ayers too are some hidden people who are behind the President's plan to speak to the young kids in the schools next week. It is part of the [Small Schools Workshop](#) goals launched with superficially sounding noble motives but really geared to teaching Social Justice and Economic Justice in the education and indoctrination of small kids into Socialism, which [Obama worked on with Bill Ayers and Michael Klonsky in Chicago years ago](#). Now they have the power of the Presidency and the resources of the government to do it on an even grander scale. See links below for more on the Obama, Klonsky, Ayers connections and their radical wives too. They all knew each other well and socialized often in Chicago and worked together helping launch and promote each other's social justice projects. "Just some folks living in the same neighborhood" ... NOT! Klonsky and Ayers are both self proclaimed communists of the Maoist school. Obama was attracted to these people all his life. Obama is one of them. Ayers appointed Obama Chairman of the new Chicago Annenberg Foundation. Obama then steered roughly \$2,000,000 in grants to this known and publicly declared devout Maoist Communist, and good friend and fellow traveler, ... Michael Klonsky, on the instruction of Bill Ayers. Mike Klonsky, Susan Eanet (now Mrs. Klonsky), Jeff Jones, Bernadine Dohrn (now Mrs. Bill Ayers), were leaders of the [SDS](#) in Chicago IL in the 60s. The SDS plan to overthrow our system and government has now matured and metastasized in to all aspects of our society including academia, government, non-governmental agencies getting government grants to do noble things via the advertised signs on their front doors and mission statements but are continually up to no good in the backroom (ACORN), and of course these folks and their allies dominate the main stream media.

We need to sound the alarm that Obama and his far-left, former SDS friends of the family and cronies are now coming out of the shadows and are now going to openly and actively go after the indoctrination of our elementary school kids. It's been in their plans and work for decades. Re-write the textbooks. Re-educate the teachers. Brain-wash the kids into Social Justice socialism. They want to teach them to serve the "charismatic leader" and not the country. But instead of that our school teachers should be teaching and reminding kids about the history of the 1930's in Europe and National Socialism and what "pledging service to the leader" ultimately leads to.
