Larry Grathwhol FBI Infiltrator of the Weather Underground

Larry Grathwhol the FBI's Infiltrator of the Weather Underground aka Weatherman Underground Organization speaks about the Weatherman Underground (a violent spin off organization from the communist SDS) which was founded in the late 1960s by Bill Ayers and his now wife Bernadine Dohrns, Jeff Jones who is now the head of the Apollo Alliance, and Mark Rudd. Bill Ayers and his wife Bernadine Dohrns have been long-time friends of Obama and Michelle since they met in the early 1980s. Bill Ayers appointed Barack Obama to be the first Chairman of the Annenberg Foundation created by Bill Ayers. Obama then directed \$1,000,000 to the avowed communist and Maoist Party leader in the USA, [Michael Klonsky](#). Obama has had a life time affiliation and [affinity to known Communists](#) and is likely a closet Communist himself.
