Meet Jeff Jones a founder of the violent Weather Underground

Meet Mr. Jeffrey Jones a co-founder with [Bill Ayers](#) and [Mark Rudd](#) of the violent Weather Underground aka [Weatherman](#) organization. Jeff Jones is now the head of the [Apollo Alliance](#) of which [Van Jones](#) was a Director. They now want to make comic books about their "heroic" violent attempts to overthrow the U.S. government to teach their Social Justice to kids using the comic books medium. He and the other communists around Obama like [Michael Klonsky](#), including Michelle Obama's wife, want to re-educate our kids. Here Jeff Jones talks about making comic books about himself and other "heroes" of his ilk and make Social Justice another version of "truth, justice, and the American way." More indoctrination of the kids in a very insidious way.

"The American people will never knowingly adopt Socialism. But under the name of liberalism they will adopt every fragment of the Socialist program, until one day America will be a Socialist nation without knowing how it happened." Norman Thomas
