Student for a Democratic Society (SDS) was the root organization for the violent Weather Underground founded by [Bill Ayers](#), [Bernadine \(Dohrn\) Ayers](#), and [Jeff Jones](#), et al, all of whom are now very good friends and associates of Barack and Michelle Obama, and have been for decades. They did not just know each other from "living in the neighborhood". Scan the chart and look for names of Bill Ayers, Bernadine Dohrn, [Jeff Jones](#), etc., who you may recognize now and if you find others you know you can expose them as being in Obama's circle of friends and associates beyond those already exposed in the news and/or are members of his government

team or Czar teams. For example you will see [Michael Klonsky](#) on this chart. He married an SDS member named Susan who is Sue Eanet on this chart. The Klonskys are also another set of Communists and former SDS who are good friends and associates of Barack and Michelle Obama. Klonsky also "just happened" to live in the same neighborhood of the Obama's along with Bill Ayers. Birds of a feather flock together as the old saying goes. A real nest of Communists "just happening" to live in that neighborhood. As pointed out, key SDS members Bill Ayers and Bernadine Dohrn married. Also key SDS members Michael Klonsky and Sue Eanet married. Both the Ayers family and the Klonsky family lived in Obama's "neighborhood" and were good friends of and socialized and were [professionally involved](#) for many, many years with Obama and Michelle.

Jim Simpson, an expert of the far left's [Cloward-Piven Strategy](#) to topple and overthrow America's economic system and form of government, interviews FBI infiltrator of the Weather Underground, [Larry Grathwohl](#).
